Summary

A Hobbyist forward-thinking developer offering upto 3 years of experience building, integrating, testing and supporting Android applications for mobile and tablet devices on the Android platform seeks position with a top technology firm and moreover i feel pleasure in building applications.

Experience

Android Developer

NokNok • Islamabad, Capitol Territory
08/2021 - Present

- Basically NokNok is the child company of the iengineering Pakistan group. it is grocery delivery platform that make sure the fastest delievery of goods across lebanon.
- My job is to maintain their android stack of infrastructure.
- Since i am interseted in Devops - I also help the team in day to day maintance of the server infrastructure over GCP kubernetes engine.

Android Developer

9Sol Technologies • Islamabad, Capitol Territory
12/2020 - 05/2021

- At 9sol technologies my responsibilites were to develop playstore base apps and update the existing code from previous developers.
- conducting technical interviews of the candidates.
- leave the company due to managerial issues.

Android Developer

9D Technologies • Rawalpindi, Punjab
06/2019 - 01/2021

- Here I worked on maintaining already developed products from the previous employees and also gave updates if necessary.
- Also i build them many apps and worth mentioning three apps that are highly downloaded and top ranked
- Recently worked on instagram saver and it gone viral on the playstore and it's ranked one of the top easy , usable and highly rated app. it is the fastest downloader in the category.

Junior Android Developer

Jolta Technologies • Rawalpindi, Punjab
12/2018 - 03/2019

- Worked as a junior android developer and build few playstore oriented apps.
- I had to leave the company ealry due to relocation problems.

Android Developer

IT Gems • Faisalabad, Punjab
04/2018 - 10/2018

- An acquaintance wanted me to help him grow his buisness and i joined him for some time as an android developer.
- I built android apps there and he distributed it to the local clients and also put them for sale online.
- As my University tenure ended I had to leave as we agreed.

Android Developer

AlBattar Solutions • Faisalabad, Punjab

08/2017 - 12/2017

- Built an app for automotive service providers so that they can reach their clients on time and provide gas or make a repair.
-

Skills

Android, Android SDK, Kotlin, Java, Node & Express.js, App Architecture and Design

Education

Engineering

Islamia college peshawar • Peshawar, KPK

02/2014

- At the time my love and curiosity for philosophy was very high and in the local departmental competition of philosophy - Engineering student won the prize.

Engineering

Government College University Faisalabad • Faisalabad, Punjab

02/2018

- Apart from other activities i am the only guy that got 'A' grade in almost all the programming exams and competitions
-

Languages

Urdu, English
